

Results INFORM (June 2021, Shom FR)

General

16938 objects with filled INFORM attribute

Belonging to **102** different object classes

The following tables show these 102 object classes and the number of objects within each class, that have entries in INFORM.

Object per object (acronym) analysis still to be carried out by Shom. Consistency checks will surely reduce the figures and provide useful information in view of the conversion to S-101.
